Legal framework

Regulation (EC) No 1049/2001 of the European Parliament and of the Council of 30 May 2001 regarding public access to European Parliament, Council and Commission documents

Article 2

Beneficiaries and scope

4. Without prejudice to Articles 4 and 9, documents shall be made accessible to the public either following a written application or directly in electronic form or through a register. In particular, documents drawn up or received in the course of a legislative procedure shall be made directly accessible in accordance with Article 12.

Article 11

Registers

1. To make citizens' rights under this Regulation effective, each institution shall provide public access to a register of documents. Access to the register should be provided in electronic form. References to documents shall be recorded in the register without delay.
