An agency of the European Union

		<ul style="list-style-type: none"> Functional email address of national contact points and data managers.
9.	Time limit for keeping the data	Information on veterinary medicinal products and, as such, related personal data as well as data history which relates to the audit trail and traceability of data changes performed by registered users are kept for 30 years in the Antimicrobials sales and Use platform, upon which the retention of the data will be subject to review and may be extended if justified based on the purposes of the processing.
10.	Recipients of the data	<p>The provisions on access to the Antimicrobials Sales and Use platform and the actors to whom access should be granted are set in Article 7(2) of Commission delegated Regulation (EU) 2021/578 and Annex I and II of Commission Implementing Regulation (EU) 2022/209. The Union Product Database Access Policy further details the different levels of access provided to these actors, taking into account the need to protect personal data as well as their obligations or interests. As far as the handling of the personal data concerns, these actors refer to national competent authorities within the EU Member States and the Agency, including nominated experts, contractors and external service providers working for them on ASU-related matters.</p> <p>History of actions and changes to the data sets performed by the registered users in the restricted areas of the ASU platform can only be accessed by the EMA administrators (technical staff).</p>
11.	Are there any transfers of personal data to third countries or international organisations? If so, to which ones and with which safeguards?	N/a
12.	General description of security measures, where possible.	<p>Access is granted only to restricted users based on Article 7(2) of Commission delegated Regulation (EU) 2021/578 and Annex I and II of Commission Implementing Regulation (EU) 2022/209 see Union Product Database Access Policy, which details the different levels of access provided to users taking into account the need to protect personal data as well as their obligations or interests.</p> <p>Access is regulated by username and password.</p>
13.	For more information, including how to exercise your rights to access, rectification, object and data portability (where	<p>Details concerning the processing of your personal data are available on the Agency's website at:</p> <p>https://www.ema.europa.eu/en/about-us/legal/general-privacy-statement</p>

	applicable), see the privacy statement:	Here you may find the EMA General Privacy Statement as well as the privacy statements on specific data processing operations.
