

EUROPEAN MEDICINES AGENCY
SCIENCE MEDICINES HEALTH

15 June 2017
EMA/CVMP/PhVWP/10418/2009-Rev.9
Committee for Medicinal Products for Veterinary Use

Combined VeDDRA list of clinical terms for reporting suspected adverse reactions in animals and humans to veterinary medicinal products

Revision agreed by Pharmacovigilance Working Party (PhVWP-V)	16-17 May 2017
Adoption by CVMP	15 June 2017
Date for coming into effect	1 October 2017

Glossary of abbreviations used in VeDDRA:

- SOC:** System organ class
- HLT:** High level term
- PT:** Preferred term
- LLT:** Low level term
- NOS:** Not otherwise specified

New line no.	System organ class (SOC) term	SOC key	High level term (HLT)	HLT key	Preferred term (PT)	PT key	Low level term (LLT) ^{NT}	LLT key	LLT term type ¹
1	Application site disorders	1	Application site reactions	1	Application site blister	3	Application site blister	4	C
2	Application site disorders	1	Application site reactions	1	Application site burn	934	Application site burn	2063	C
3	Application site disorders	1	Application site reactions	1	Application site erythema	4	Application site erythema	5	C
4	Application site disorders	1	Application site reactions	1	Application site erythema	4	Application site reddening	1332	C
5	Application site disorders	1	Application site reactions	1	Application site erythema	4	Application site rubra	6	C
6	Application site disorders	1	Application site reactions	1	Application site feather change	1016	Application site feather change	2603	A
7	Application site disorders	1	Application site reactions	1	Application site feather change	1016	Application site feather loss	2604	A
8	Application site disorders	1	Application site reactions	1	Application site fibrosis	917	Application site fibrosis	2003	C
9	Application site disorders	1	Application site reactions	1	Application site granuloma	5	Application site granuloma	7	C
10	Application site disorders	1	Application site reactions	1	Application site haemorrhage	7	Application site bleeding	12	C
11	Application site disorders	1	Application site reactions	1	Application site haemorrhage	7	Application site bruising	8	C
12	Application site disorders	1	Application site reactions	1	Application site haemorrhage	7	Application site haematoma	10	C
13	Application site disorders	1	Application site reactions	1	Application site haemorrhage	7	Application site haemorrhage	11	C
14	Application site disorders	1	Application site reactions	1	Application site haemorrhage	7	Application site petechiae	9	C
15	Application site disorders	1	Application site reactions	1	Application site hair change	2	Application site alopecia	2	C
