

25 November 2010  
EMA/HMPC/587580/2009  
Committee on Herbal Medicinal Products (HMPC)

## List of references supporting the assessment of *Tanacetum parthenium* (L.) Schulz Bip., herba

**This document was valid from 25 November 2010 until July 2020. It is now superseded by a [new version](#) adopted by the HMPC on 8 July 2020 and published on the EMA website.**

**The Agency acknowledges that copies of the underlying works used to produce this monograph were provided for research only with exclusion of any commercial purpose.**
