# 'SPARK' BUILDING

## WHAT YOU NEED TO KNOW

Orlyplein 24,  
1043 DP Amsterdam,  
Sloterdijk business district

*The SPARK building is located a 3-minute walk from  
the Sloterdijk metro/train station.*

## How to get there

### From Amsterdam Schiphol Airport

- Taking the train is recommended
- 11 minutes from Schiphol airport
- Direct train every 10–15 minutes
- Take the Sprinter 5871 towards Amsterdam Central train station and get off at Amsterdam Sloterdijk (2 stops)

### From Amsterdam Central Train Station

- Taking the metro/trams is recommended
- Metro station Amsterdam Sloterdijk: lines 50 (M), 12 (T)

### Useful apps for public transport in Amsterdam:

- NS Reisplanner (trains)
- 9292 (all transportation)
- Citymapper/Google Maps

### Other transportation

- Taxi drop-off point located on Hanedestraat
- Buses are also available but EMA recommends the use of trains/metro/trams

## Building facilities

- **All scientific and Management Board meetings as of March 2019** will take place at the SPARK building
- **8 conference rooms**, capacity 30-90 people

- The building is **fully accessible**
- **No parking facilities** for visitors are available
- The building is equipped with **audiovisual, IT, teleconferencing and Wi-Fi facilities**
- **Restaurant with 200+ seats;** (for EMA staff and delegates only)  
**Important:** credit/debit card payment only. It will not be possible to carry over any credit from the London system. Please request a refund during your last visit at 30 Churchill Place, no later than 1 March 2019.
- **Delegates' lounge**
- Small **industry lounge**

## Additional information for delegates

- **New online booking tool for hotel and travel** will be available in 2019 (more information to follow)
- EMA will ensure **sufficient hotel booking slots** for February and March 2019 under current booking procedure
- **New “Orientation Guide” for delegates** will be available in January 2019
