

European Medicines Agencies Network initiatives

Lorraine Nolan
Chief Executive at Health Products Regulatory Authority (HPRA)

Strategic focus areas:

1. Availability and accessibility of medicines
2. Data analytics, digital tools and digital transformation
3. Innovation
4. Antimicrobial resistance and other emerging health threats
5. Supply chain challenges
6. Sustainability of the Network and operational excellence

Goal 1

Strengthen the availability of medicines to protect the health of EU citizens and animals

Goal 2

Optimise the path from development, evaluation through to access via collaboration

Network Strategy to 2025: Access & Availability

Main Areas of Focus

Root cause

Specific causes for shortages of generics/off-patent products versus products still under patent protection

Prevention and management

Development of strategies to improve prevention and management of shortages. It also includes identification of and suggestion of areas where changes to EU or national legislation could improve supply

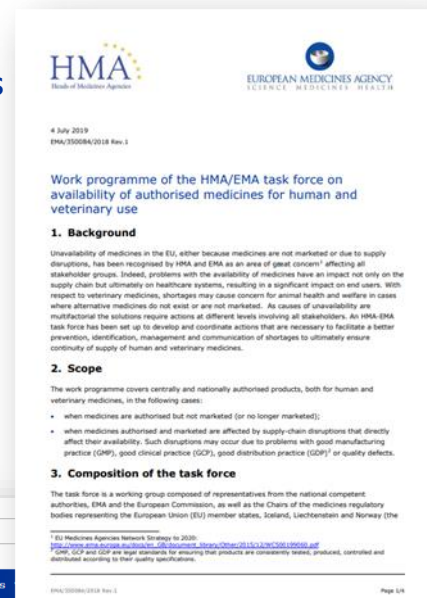

Shortage management

Enhance approaches to shortages management through improving the coordination of both information, communication and actions taken by MSs

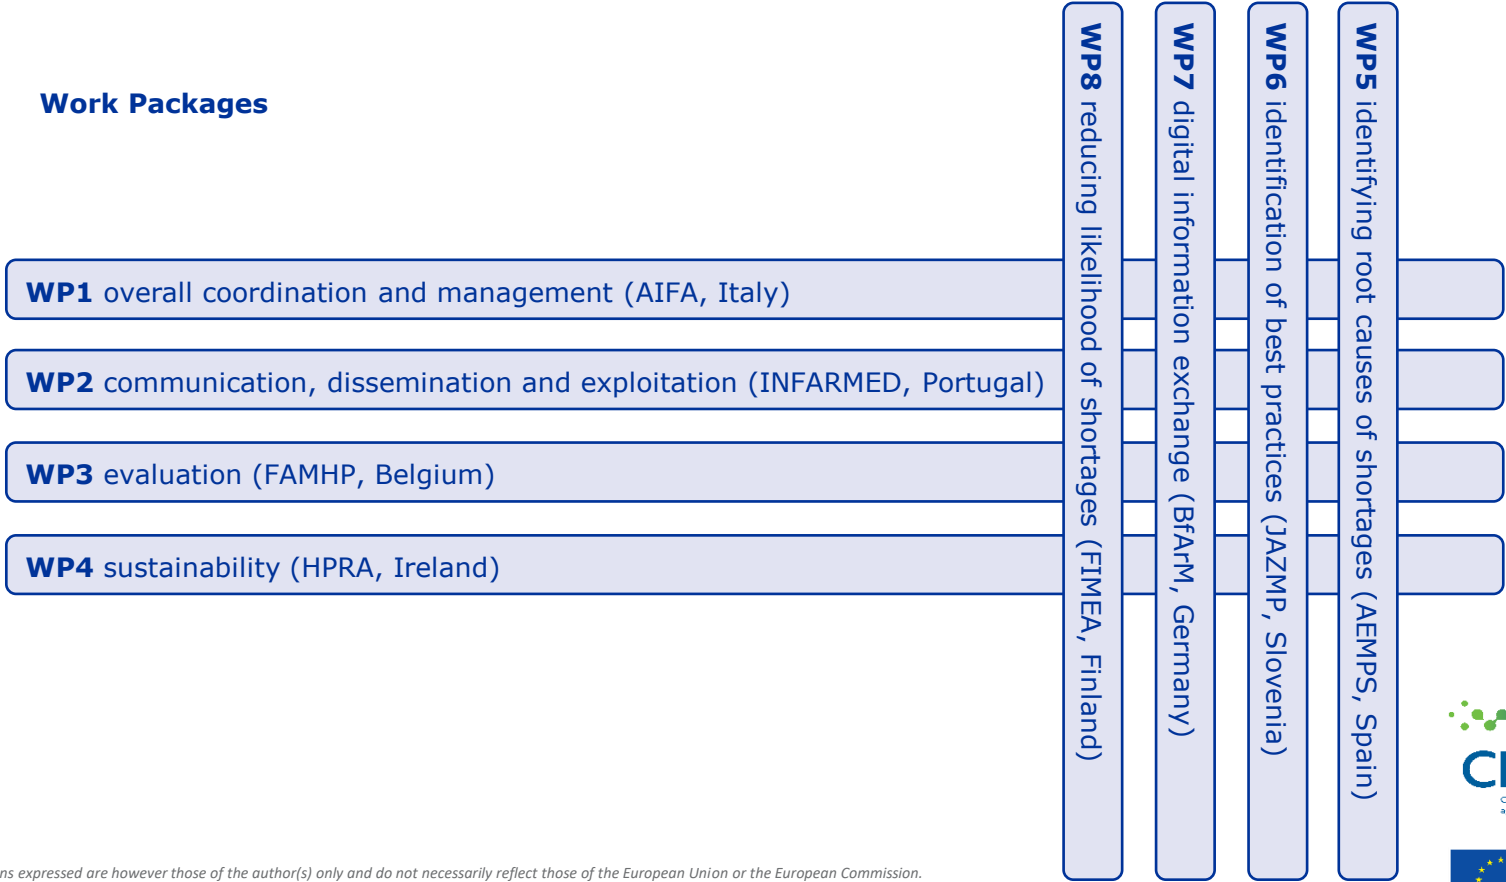

Network Strategy to 2025: Access & Availability

Aiming for Success

- **Network infrastructure** and **governance** in the area of shortages
- **Actions mapped** with workplans of relevant network committees and working groups
- **Expanded remit** of the EMA
- **CHESSMEN** Joint Action
- Availability of medicines is also **linked to other areas of the Strategy**:
 - Supply chain
 - Data analytics
 - Innovation
- **Health system partnership**
