EMA information to EMSP Members

Christoph Thalheim Director External Affairs

Which EMA information do we disseminate?

Everything of which we believe that our members could be interested in, for example:

- Allen's O'Connor's comments risk-benefit assessment of Tysabri to EMEA (August 2005)
- http://www.emsp.org/index.php?option=com_content&view=article&id=137:allens-oconnors-comments-to-emea-european-agency-for-the-evaluation-of-medicinal-productsaugust-2005&catid=68:ms-related-publications&Itemid=135
- An unbiased guide to approved Disease Modifying Therapies for MS (March 2008)
- http://www.emsp.org/index.php?option=com_content&view=article&id=73:an-unbiased-guide-to-approved-disease-modifying-therapies-for-ms&catid=71:existing-therapies&Itemid=157

Which EMA information do we disseminate?

...but also:

- Questions and answers on the review of Tysabri (natalizumab / January 2010)
- Cladribine tablets approved in Russia (July 2010)
- CHMP new recommendation for monitoring after the first dose of Gilenya (January 2012)
- European Medicines Agency: New report outlines progress and patient satisfaction (November 2011)
- PCWP's work plan 2012 available on EMA website (March 2012)
- European Medicines Agency boosts EU transparency with online publication of suspected side effect reports (June 2012)

To whom do we disseminate information?

- Austria
- Belarus
- Belgium
- Bosnia-Herzegovina
- Bulgaria
- Croatia
- Czech Republic
- Denmark
- Estonia
- Finland
- France (x2)
- Germany
- Greece
- Hungary (x2)
- Iceland
- Ireland
- Italy
- Latvia
- Lithuania
- Luxembourg
- Malta
- Netherlands
- Norway
- Poland
- Portugal
- Romania
- Russia
- Serbia
- Slovakia
- Slovenia
- Spain (x2)
- Sweden
- Switzerland
- UK

A map of Europe is shown in the background. A semi-transparent light blue rectangular box is overlaid on the map, containing text. The text is in a dark blue, italicized font. The text reads: "38 national MS-Societies in currently 34 European countries, representing more than half a million people affected by MS."

38 national MS-Societies in currently 34 European countries, representing more than half a million people affected by MS.

Which dissemination channels do we use?

WebAlert

(= website + alert) -- for very important information

Website (without alert) – for important information

Email -- for very urgent information

Annual Report -- for major achievements

And starting just now:

Facebook and Twitter -- for ???

Other relevant issues

How long does it take from the moment EMSP receives a information until it is disseminated?

Anything between 1 hour and 3 months

Does EMSP collect feedback from our from its members on the disseminated information?

Only in exceptional cases
