Belgium – direct reporting

- Launched by press release from public authorities
- Encouraging patients to report to doctors & pharmacies!
- NCA concerned about work load?

- Big changes = big challenges
- We feel missing budget on implementation
- No patients in PRAC, foreseen is only one
- Patients joining PRAC expected to work for free
- Future looks bright, remember Bill Gates 1981: "640K ought to be enough for anybody."
