**<Active substance, name of medicinal product and main message** (e.g. introduction of a warning or a contraindication)>

Dear Healthcare professional,

<Name of marketing authorisation holder> in agreement with <the European Medicines Agency> and the <National Competent Authority > would like to inform you of the following:

### **Summary**

*Guidance: This section should be in bold/larger font size than the other sections of the DHPC and preferably in bullet points.*

- <Brief description of the safety concern in the context of the therapeutic indication, recommendations for risk minimisation (e.g. *contraindications, warnings, precautions of use*) and, if applicable, switch to alternative treatment>
- <Recall information, if applicable, including level (pharmacy or patient) and date of recall>

### **Background on the safety concern**

*Guidance: This section may include the following information:*

<Brief description of the therapeutic indication of the medicinal product>

<Important details about the safety concern (adverse reaction, seriousness, statement on the suspected causal relationship, and, if known, the pharmacodynamic mechanism, temporal relationship, positive re-challenge or de-challenge, risk factors)>

<An estimation of the frequency of the adverse reaction or reporting rates with estimated patient exposure>

<A statement indicating any association between the adverse reaction and off-label use, if applicable>

<If applicable, details on the recommendations for risk minimisation>

<A statement if the product information is to be or has been revised, including a description of the changes made or proposed> *Guidance: No need however to include or attach the precise (translated) text of the product information which, at the time of dissemination of the DHPC may not be available as final approved translations)*

<Place of the risk in the context of the benefit>

<The reason for disseminating the DHPC at this point in time>

<Any evidence supporting the recommendation (e.g. include citation(s) of key study/ies)>

<A statement on any previous DHPCs related to the current safety concern that have recently been disseminated>

<Any schedule for follow-up action(s) by the marketing authorisation holder/competent authority, if applicable>

### ***Call for reporting***

<A reminder of the need and how to report adverse reactions in accordance with the national spontaneous reporting system, including the details (e.g. name, postal address, fax number, website address) on how to access the national spontaneous reporting system>

<For biological medicinal products, also include a reminder to report the product name and batch details>.

<Mention if product is subject to additional monitoring and the reason why>

### ***Company contact point***

<Contact point details for access to further information, including relevant website address(es), telephone numbers and a postal address>

### ***Annexes (if applicable)***
