

Agenda: Informative webinar on PMS Product User Interface usage and key actions for Marketing Authorisation Holders (with demo)

29 October 2024, 10:00 – 12:00 (CET)

Webinar: WebEx meeting

Chairs:

- Marcos Fernández Gómez (*Product Owner for PMS, EMA*)
- Veronica Lipucci Di Paola (*Product Owner for PMS, EMA*)

This year, read-only data for centrally authorised products (CAPs) and non-centrally authorised products (non-CAPs)* were released through the Product Management Service (PMS) via both the Product User Interface (PUI) and the Application Programming Interface (API).

As a follow-up of the [webinar held on 16 October 2024](#), EMA is organising a public webinar to showcase the PMS PUI, recap current & future key actions for Marketing Authorisation Holders and answer users' questions. A video recording will be available after the event.

*Products authorised throughout mutual recognition procedure (MRP), decentralised procedure (DCP) and national procedure (NAP)

The registration form is available at the following [link](#).

Registration is open until the start of the meeting.
