

Multi-stakeholder webinar on the HMA-EMA Catalogues of real-world data sources and studies

Monday 4 March 2024, 10:00-12:00 CET – Live broadcast

Following the launch of the HMA-EMA Catalogues of real world-data data sources and studies on 15 February 2024, the EMA is hosting a multi-stakeholder informative webinar with the objective of:

- Providing an overview of the HMA-EMA Catalogues of real-world data sources and studies, including their benefits and significance within regulatory practices;
- Explaining the approach to using the catalogues effectively, including user roles and responsibilities;
- Conducting a demonstration showcasing the key features of the platform;
- Providing information on supporting documentation, including user guides and FAQs to optimise the use of the catalogues, and on how to obtain direct support from EMA.

Official address Domenico Scarlattilaan 6 • 1083 HS Amsterdam • The Netherlands

Data protection notice

Please be aware that personal data will be processed by the EMA in accordance with [EMA Privacy statement on organisation of meetings and events \(europa.eu\)](#). Internally, the Head of Data Analytics and Methods Task Force is appointed to ensure compliance as Internal Controller. Should you have any question on the processing of your personal data, please contact the Internal Controller at datacontroller.analytics@ema.europa.eu

Please consult [European Medicines Agency's Data Protection Notice For the Cisco Webex Meetings and Webex Events participants](#).

Please note this workshop will be broadcast and recorded. The recording will be made public. By attending this meeting, you consent to recording and broadcast. The Agency records or broadcasts a number of meetings, including some virtual meetings. This is part of the Agency's commitment to the principle of transparency as enshrined in the Treaty on the European Union.

At certain points throughout the meeting, participants will be able to ask questions or give their input via the audience interaction tool Slido. Please go to [Slido](#) and enter the event code (#RWD_Catalogues) and passcode (EMA2024). Interaction via Slido is voluntary, and you may opt to remain anonymous. If you chose to use Slido, you consent to the processing of your personal data as explained in the [EMA Data Privacy Statement for Slido](#)
