## Agenda: Product Management Service (PMS) Progress Webinar

30 May 2023, 10:00 – 11:30 (CET)

Webinar: WebEx meeting

Chairs:

- Veronica Lipucci Di Paola (*Product Owner for PMS, EMA*)
- Marcos Fernandez Gomez (*Product Owner for PMS, EMA*)

EMA is pleased to announce a new **public webinar** intended for business, developers and technical audiences working for industry and national competent authorities that are interested in learning more about the **Product Management Service (PMS) development progress and related activities**.

PMS aims to deliver comprehensive and consolidated human medicinal product data (Centrally Authorised Products (CAPs) and Non-CAPs) from different sources.

The webinar will be an occasion for the audience to meet the PMS Product Owners, ask questions and learn more about what the PMS team is working on. The PMS Team will also address what has been developed to support web-based electronic Application Forms (eAFs) so far as well as what the team will work on in support of the implementation of ISO standards for the identification of medicinal products (IDMP) in the EU/EEA.

The registration form is available at the following [link](#).

Registration is open until the start of the meeting.
