## Agenda: Product Management Service (PMS) Webinar on Data Migration

23 February 2023, 14:00 – 15:30 (CET)

Webinar: WebEx meeting

Chairs:

- Veronica Lipucci Di Paola (*Product Owner for PMS, EMA*)
- Marcos Fernandez Gomez (*Product Owner for PMS, EMA*)

The Product Management Service (PMS) aims to deliver comprehensive and consolidated medicinal product data (Centrally Authorised Products (CAPs) and Non-CAPs) from different sources.

The updated Chapter 7 of the EU IDMP Implementation Guide (EU IG), released on the EMA website on 18 January 2023, provides information on the approach followed by the European Medicines Agency (EMA) to enable the transformation, migration and availability of authorised product data to the PMS database.

This event is a webinar for industry and national competent authorities' stakeholders wishing to learn more about data migration activities from SIAMED and xEVMPD databases to PMS.
