

EMA's Open Door Day

9 May 2025, 09:45 – 16:00 (CEST)
Amsterdam

As part of the celebrations for its 30th anniversary, the European Medicines Agency (EMA) is delighted to announce that it is hosting its first Open Door Day.

Participants will visit various parts of the EMA building and hear how EMA staff and experts from around Europe work together to ensure that medicines are safe and effective for public and animal health in the EU.

The event will feature guided tours of the EMA building in Amsterdam throughout the day, with each tour accommodating up to 20 participants. The tours, held in English, will last 60 minutes.
