## Start of union reviews

CHMP meeting of 22 – 25 June 2020

**Table 1. Start of harmonisation procedure**

| Name                         | INN                                          | Type of procedure                  | Scope                                                                                                                                                                                                                                             |
|------------------------------|----------------------------------------------|------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Varilix and associated names | Live attenuated varicella virus (OKA strain) | Article 30 of Directive 2001/83/EC | The Committee started a harmonisation exercise for Varilix and associated names. The review was triggered by the Marketing Authorisation Holder, due to the need of harmonisation of the Summary of Product Characteristics across Member States. |
