Start of union reviews

CHMP meeting of 27-29 May 2019

Table 1. Start of reviews for non-centrally authorised medicines

| Name | INN | Type of procedure | Scope |
|---|---------------------------|------------------------------------|--|
| methocarbamol/paracetamol - containing medicinal products | methocarbamol/paracetamol | Article 31 of Directive 2001/83/EC | Procedure triggered by Germany requesting an opinion on the benefit-risk balance of this combination based on concerns on efficacy (due to the dose of methocarbamol and role of paracetamol in the combination) for use in the short-term, symptomatic treatment of painful muscle spasms associated with acute musculoskeletal disorders, and potential interactions between its active ingredients. |
