

London, 4 September 2008
Doc. Ref. EMEA/HMPC/372915/2007

This document was valid from 4 September 2008 until November 2018. It is now superseded by a [new version](#) adopted by the HMPC on 20 November 2018 and published on the EMA website.

LIST OF REFERENCES SUPPORTING THE ASSESSMENT REPORT ON:

**Rusci aculeati rhizoma
Ruscus aculeatus L., rhizoma
(butcher's broom)**

The EMEA acknowledges that copies of the underlying works used to produce this monograph were provided for research only with exclusion of any commercial purpose.
