Early Draft Peer Review:

Peer review is a process by which other members of the CHMP review the (Co) Rapporteurs' scientific evaluation, as well as the validity of the scientific/regulatory conclusions reached. It applies during the initial phase of the assessment of a new Marketing Authorisation Application (MAA).

Teleconference:

Dialogue (e.g. teleconference) is set up between (Co) Rapporteurs, Peer Reviewers and EMEA staff to discuss and critically analyse the different objections and concerns raised in the (Co) Rapporteur's "Overview and draft List of Questions".

*Comments from CHMP members, Peer Reviewer's comments, the outcome of the teleconference and the draft list of questions are not made available to applicants. Moreover, it is not intended that applicants directly contact Peer Reviewers or other CHMP members in the context of an ongoing CHMP assessment of a MAA.

Target dates for the submission of the responses are published on the EMEA Website: ([Responses to List of questions/List of outstanding issues or Request for Supplementary Information](#)).
