Human Medicines Development and Evaluation

Addendum to public declaration of interests and confidentiality undertaking of the European network of paediatric research at the European Medicines Agency (Enpr-EMA) members relating to research interests

Please sign and date. If the document is completed by hand, please ensure that the information required is clearly readable (capital letters).

Public Declaration of Research Interests

I, Wolfgang Göpel

Nationality: Germany

Organisation/company: University of Lübeck

Professional address: Childrens Hospital, Ratzeburger Allee 160, 23538 Lübeck, Germany

Email address: goepel@paedia.ukl.mu-luebeck.de

do hereby declare on my honor that, to the best of my knowledge, the only research interests I have are those listed below (Please tick all boxes):

Current research interests and/or research completed in the past 12 months.

Please use additional pages if required by copying and pasting the text-boxes and check-boxes below. You will need to **protect the form** to enable proper use of boxes (fields); to do this you should view toolbar called "Forms", then click on the locking symbol named "Protect Form", and only then start typing entries into boxes.
