European Medicines Agency's Data Protection Notice

For the Extended EudraVigilance Medicinal Production Dictionary (XEVMPPD) processing activities

This Data Protection Notice explains the most essential details of the processing of personal data by the European Medicines Agency (hereinafter referred to as "EMA" or "Agency") in the context of the eXtended EudraVigilance Medicinal Production Dictionary (hereinafter referred to as "XEVMPPD") activities to support the management of a single source of validated product data that can be used as a reference to support EU regulatory activities and business processes.

1. Who is responsible for the processing of your data?

1.1. Who is the data controller?

EMA is ultimately responsible to comply with your data protection rights and freedoms. On behalf of EMA, the Head of Information Management Division is appointed as 'Internal Controller' to ensure the lawful conduct of this processing operation. You may contact the Internal Controller via the following email address: datacontroller.infomanagement@ema.europa.eu.

1.2. Who is the data processor?

1.2.1. EMA Data Stewards

The Agency engages third parties to process data on behalf of EMA, to provide and improve the service, enable use of service features, and provide customer support and XEVMPPD training support. This group of support is known as EMA Data Stewards.

The contact details of the data processor(s) are the following:

Syneos Health Netherlands B.V.
De Entrée 99-197
1101 HE Amsterdam
Netherlands

In addition, data processing in XEVMPD is designed to use different supporting software. When you submit product information in the XEVMPD, these changes will be handled by EMA Data Stewards via:

- the XEVMPD user interface (EVWEB); and/or
- XEVMPD Bulk Update tool; and/or
- XEVMPD Data Export tool; and/or
- the Data Management Tracking Tool (DMTT); and/or
- the EMA Service Desk tickets submitted in the ServiceNow portal. For further information about the ServiceNow portal, please consult the dedicated Data Protection Notice.¹ [.](https://www.ema.europa.eu/en/documents/other/european-medicines-agencys-data-protection-notice-ema-help-desk_en.pdf)

1.2.2. Service Providers, Business Partners, and Others

EMA works with third-party service providers to provide application development, hosting, maintenance, back-up, storage, virtual infrastructure, analysis, and other services for us. These third parties may have access to, or process, your personal data **on a need-to know basis** as part of providing those services for us.

2. Purpose of this data processing

The purpose of this data processing activity is to allow stakeholders to support the management of information for authorised medicinal products for human use in the XEVMPD, which is a source of information on medicinal products authorised for human use in the European Economic Area (EEA) that is used as a reference to support EU regulatory activities and business processes.

The management of XEVMPD includes:

Purpose	Actions	Parties involved
To review and assess product data submitted in the XEVMPD by marketing authorisation holders (MAH)	<p>To review and standardise existing information on authorised medicinal products.</p> <p>To update existing medicinal product information so this information is in accordance with the information stated in the supporting documentation (Summary of Product Characteristics, Patient Information leaflet, copy of the document granting or amending the marketing authorisation) and in accordance with the business and technical rules in place.</p>	EMA Data Stewards*
To provide customer support through ServiceNow tool	To answer questions related to the management of medicinal product data in the XEVMPD by external and internal stakeholders (industry, national competent authorities, EMA etc.).	EMA Data Stewards*

2.2. Legal basis of the processing

The processing of personal data in XEVMPD is necessary for the performance of the Agency tasks carried out in the public interest as required by Regulation (EC) No 726/2004, Directives 2001/83/EC and 2001/82/EC and other applicable Union legislation. In particular, the processing of data is necessary for the performance of tasks carried out in the public interest as provided for under:

² Azure Active Directory (Azure AD) is a cloud-based identity and access management service. Azure AD enables EMA employees to access external resources, such as Microsoft 365, the Azure portal, and other SaaS applications. Azure Active Directory also helps staff access internal resources like apps on EMA's corporate intranet, and any cloud apps developed for EMA.

[COMMISSION IMPLEMENTING REGULATION \(EU\) No 520/2012 of 19 June 2012 on the performance of pharmacovigilance activities provided for in Regulation \(EC\) No 726/2004 of the European Parliament and of the Council and Directive 2001/83/EC of the European Parliament and of the Council](#).³In this regard, please note that you have the **right to object** against the processing as explained in Section 5 below.

2.3. Transfer of personal data outside of EU

Your information may be shared with service providers located in third countries. Any such transfer complies with the provisions of Chapter V of the European Union Data Protection Regulation (EU DPR) on transfers of personal data to a country outside the EEA. In the case of this processing, the Chapter V tool for transfers are the Commission approved Standard Contractual Clauses⁴ together with the supplementary measures.

3. How long do we keep your data?

The personal data processed in XEVMPS and ServiceNow is retained for a period of 10 years from the date of the service being requested. This is because there is an operational requirement to retain the data for this period as they are integral part of a regulatory/core business system.

4. Who has access to your information and to whom is it disclosed?

The following groups have access to your information:

- EMA staff involved in the processing;
- EMA Data Stewards contracted by EMA to provide the data management services;
- very occasionally maintenance teams, auditors, operational security services employed by the EMA;
- registered users from national competent authorities.

ServiceNow and the sub-processors that they use for the general subscription service may have access to your data as is required to provide the service.

5. Your data protection rights

As data subject (i.e. the individual whose personal data is processed), you have several rights:

- **Right to be informed** – This Data Protection Notice provides information on how EMA collects and uses your personal data. Requests for other information regarding the processing may also be directed to the Internal Controller.
- **Right to access** – You have the right to access your personal data. You have the right to request and obtain a copy of the personal data processed by EMA.
- **Right to rectification** – You have the right to obtain - without undue delay - the rectification or completion of your personal if it is incorrect or incomplete.
