IMPORTANT NOTICE TO TENDERERS

EMA-2012-09-IF External Service Providers for Enterprise Infrastructure Support: provision of resources for Oracle database and middleware product management

The closing date for the above tender has been extended by the Agency and will now close as follows:

12.00, Monday 16th April 2012

As this notice is being issued so close to the original closing date, any tenderer which can provide documentary evidence that it had already sent a response to this tender to the Agency prior to publication of this notice may withdraw and replace its tender, given that further questions and answers will be published shortly.

The Agency will continue to accept questions until 5 calendar days prior to the new closing date, but tenderers should note that the Agency is closed for the Easter holiday on Thursday 5th, Friday 6th and Monday 9th April 2012.

Opening of the tenders will now take place as follows:

16.00, Wednesday 18th April 2012

A corrigendum will be published in the Official Journal of the European Union. A copy of the notice and an updated version of the letter of invitation containing the amended dates will be published on the Agency's website.
