- In 2025, the NRG will hold five meetings and review a maximum of 75 new [invented names](#) per meeting. Submissions for review will be accepted on a 'first come, first served' basis until the full capacity of the meeting is reached. However, priority may need to be applied on the basis of the urgency of the request. The 75-name limit does not apply to 'INN+company' names, justifications, re-use and reconfirmation applications.

Should the review of a request be postponed, the NRG secretariat will confirm this within 2 weeks of the published submission deadline.

- **Communication with the NRG secretariat**
