## Registration of interest – deadline 31 October

EMA workshop on qualification and reporting of physiologically-based pharmacokinetic (PBPK) modelling and simulation, European Medicines Agency, 21 November 2016

Please save this form to your device, complete it, and email it to [PKWP@ema.europa.eu](mailto:PKWP@ema.europa.eu)

Due to a limited number of spaces available, EMA will only be able to accept two participants per organisation to allow attendance of a wide range of stakeholders.

I understand that this registration does not mean I have a guaranteed space, and that my confirmation of attendance (if successful) will be communicated to me after 31 October.
