CHMP meeting of 17-20 February 2014

Table 1. Start of arbitration procedure

Name	INN	Type of procedure	Scope
Seasonique and associated names	Levonogestrel and ethinylestradiol	Article 29(4) of Directive 2001/83/EC	The Committee started a referral procedure for Seasonique and associated names. The procedure was initiated by France because of disagreements regarding the demonstration of contraceptive effectiveness and treatment compliance.
