(*) The request for accelerated assessment including the supporting documentation should be submitted via Eudralink ahead of the actual Marketing Authorisation Application submission via eCTD. The CAT conclusion on the request should be reached at the latest around the time that the assessment of the Marketing Authorisation application is commencing.

(~) Briefing notes and comments from CAT members are not made available to applicants.

(#) An updated AR is optional and dependent on the comments received from CAT members which create the need for the update.
