(\*) The Agency strongly recommends submitting the application before the published submission deadline. This is to avoid missing the target start date as a result of a technically invalid submission, in which case the submission is considered void and it needs to be re-despatched.

(\*\*) Comments from CHMP and PRAC members are not made available to Applicants.

(#) The PRAC outcome is captured in the subsequent updated CHMP Rapporteur assessment report.

(~) This assessment report incorporates the PRAC Rapporteur updated assessment report circulated earlier at the conclusion of the PRAC meeting.

(\*\*\*) An updated AR is optional and dependent on the comments received from committee (PRAC, CHMP) members which create the need for the update.

(+) Steps only applicable in case of PRAC involvement
