(*) The Agency strongly recommends submitting the application before the published submission deadline. This is to avoid missing the target start date as a result of a technical invalid submission, in which case the submission is considered void and it needs to be re-despatched.

(**) Comments from CAT, CHMP and PRAC members are not made available to Applicants.

(***) An updated AR is optional and dependent on the comments received from committee (PRAC, CHMP, CAT) members which create the need for the update.

(~) Step applicable only in case of PRAC involvement.

(#) Step applicable only in case of CAT Opinion (not applicable in case a List of Questions is adopted by the CAT).
