A40	04/11/2021	12/11/2021	01/12/2021	11/12/2021

¹ Type IB variations not requiring linguistic review can be submitted anytime and are assessed on a rolling basis.

(*) The validation period between submission date and start date is usually eight calendar days. The Agency strongly recommends submitting the application before the published submission deadline. This is to avoid missing the target start date as a result of a technically invalid eCTD submission, in which case the submission is considered void and it needs to be re-despatched.
