Dear Dr Abadie

**Re: Intrinsa 300mcg/24 hr transdermal patch
EMEA/H/C/634/II/13: Type II Variation to extend the indication to all
menopausal women with hypoactive sexual desire disorder**

I would like to inform you that Warner Chilcott UK Ltd has taken the decision to withdraw the above Type II variation with immediate effect.

This withdrawal is based upon commercial considerations.

We reserve the right to make further submissions for this indication at a future date.

I agree for this letter to be published on EMA website.

Yours sincerely
