Dear Sirs,

For the withdrawal of an Extension Application to the existing licence *Zubrin {50, 100, 200} mg oral lyophilisates for dogs (EU/2/00/028/002-008)*

I would like to inform you that, at this point in time, S-P Veterinary has taken the decision to withdraw the application for a change to the marketing authorization for *Zubrin {50, 100, 200} mg oral lyophilisates for dogs*, to add a pharmaceutical form (by extension application).

The withdrawal is based on the following reason:

- The Company's marketing strategy.

We reserve the right to make further submissions at a future date in this or other therapeutic indication(s)/target species, if applicable.

I agree for this letter to be published on the EMEA website.

Yours faithfully,
