European Medicines Agency decision

P/0089/2014

of 4 April 2014

on the granting of a product specific waiver for atropine (sulphate) / dimethanesulfonate / avizafone (hydrochloride) (EMA-001586-PIP01-13) in accordance with Regulation (EC) No 1901/2006 of the European Parliament and of the Council

The European Medicines Agency,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EC) No 1901/2006 of the European Parliament and of the Council of 12 December 2006 on medicinal products for paediatric use and amending Regulation (EEC) No. 1768/92, Directive 2001/20/EC, Directive 2001/83/EC and Regulation (EC) No 726/2004¹,

Having regard to Regulation (EC) No 726/2004 of the European Parliament and of the Council of 31 March 2004 laying down Community procedures for the authorisation and supervision of medicinal products for human and veterinary use and establishing a European Medicines Agency²,

Having regard to the application submitted by service de santé des armées on 11 November 2013 under Article 13 of Regulation (EC) No 1901/2006,

Having regard to the opinion of the Paediatric Committee of the European Medicines Agency, issued on 14 February 2014 in accordance with Article 13 of Regulation (EC) No 1901/2006,

Having regard to Article 25 of Regulation (EC) No 1901/2006,

Whereas:

- (1) The Paediatric Committee has given an opinion on the granting of a product specific waiver.
- (2) It is therefore appropriate to adopt a decision granting a waiver.

¹ OJ L 378, 27.12.2006, p.1.

² OJ L 136, 30.4.2004, p. 1.

Has adopted this decision:

Article 1

A waiver for atropine (sulphate) / dimethanesulfonate / avizafone (hydrochloride), powder and solvent for solution for injection, intramuscular use, the details of which are set out in the opinion of the Paediatric Committee of the European Medicines Agency annexed hereto, together with its appendices, is hereby granted.

Article 2

This decision is addressed to service de santé des armées, TSA 20003, 45404 – Fleury-les-Aubrais Cedex, France.

Done at London, 4 April 2014

EMA/PDCO/784093/2013 corr

Opinion of the Paediatric Committee on the granting of a product-specific waiver

EMA-001586-PIP01-13

Scope of the application

Active substance(s):

Atropine (sulphate)/ dimethanesulfonate / avizafone (hydrochloride)

Condition(s):

Treatment of organophosphorus poisoning

Pharmaceutical form(s):

Powder and solvent for solution for injection

Route(s) of administration:

Intramuscular use

Name / corporate name of the PIP applicant:

Service de santé des armées

Basis for opinion

Pursuant to Article 13 of Regulation (EC) No 1901/2006 as amended, service de santé des armées submitted to the European Medicines Agency on 11 November 2013 an application for a product-specific waiver on the grounds set out in Article 11 of said Regulation for the above mentioned medicinal product.

The procedure started on 18 December 2013.

Opinion

1. The Paediatric Committee, having assessed the waiver application in accordance with Article 13 of Regulation (EC) No 1901/2006 as amended, recommends as set out in the appended summary report:

- to grant a product-specific waiver for all subsets of the paediatric population and the above mentioned condition(s) in accordance with Article 11(1)(a) of said Regulation, on the grounds that the specific medicinal product is likely to be ineffective or unsafe in part or all of the paediatric population.

The Norwegian Paediatric Committee member agrees with the above-mentioned recommendation of the Paediatric Committee.

2. The grounds for the granting of the waiver are set out in Annex I.

This opinion is forwarded to the applicant and the Executive Director of the European Medicines Agency, together with its annex and appendix.

London, 14 February 2014

On behalf of the Paediatric Committee
Dr Dirk Mentzer, Chairman
(Signature on file)

Annex I

Grounds for the granting of the waiver

1. Waiver

1.1. Condition: treatment for organophosphorus poisoning

The waiver applies to:

- All subsets of the paediatric population from birth to less than 18 years of age;
- for Powder and solvent for solution for injection;
- on the grounds that the specific medicinal product is likely to be unsafe.
