Basis for opinion

Pursuant to Article 13 of Regulation (EC) No 1901/2006 as amended, Trasis S.A. submitted to the European Medicines Agency on 17 January 2019 an application for a product-specific waiver on the grounds set out in Article 11 of said Regulation for the above mentioned medicinal product.

The procedure started on 26 February 2019.

Opinion

- The Paediatric Committee, having assessed the waiver application in accordance with Article 13 of Regulation (EC) No 1901/2006 as amended, recommends as set out in the appended summary report:
 - to grant a product-specific waiver for all subsets of the paediatric population in accordance with Article 11(1)(b) of said Regulation, on the grounds that the disease or condition for which the specific medicinal product is intended occurs only in adult populations.

The Norwegian Paediatric Committee member agrees with the above-mentioned recommendation of the Paediatric Committee.

2. The grounds for the granting of the waiver are set out in Annex I.

This opinion is forwarded to the applicant and the Executive Director of the European Medicines Agency, together with its annex and appendix.

Annex I Grounds for the granting of the waiver

1. Waiver

1.1. Condition

Visualisation of prostate specific membrane antigen in prostate cancer

The waiver applies to:

- all subsets of the paediatric population from birth to less than 18 years of age;
- kit for radiopharmaceutical preparation, intravenous administration;
- on the grounds that the disease or condition for which the specific medicinal product is intended occurs only in adult populations.
