Basis for opinion

Pursuant to Article 13 of Regulation (EC) No 1901/2006 as amended, Auris Medical Ltd. submitted to the European Medicines Agency on 27 January 2020 an application for a product-specific waiver on the grounds set out in Article 11 of said Regulation for the above mentioned medicinal product.

The procedure started on 2 March 2020.

Opinion

1. The Paediatric Committee, having assessed the waiver application in accordance with Article 13 of Regulation (EC) No 1901/2006 as amended, recommends as set out in the appended summary report:

- to grant a product-specific waiver for all subsets of the paediatric population and the above mentioned condition(s) in accordance with Article 11(1)(c) of said Regulation, on the grounds that the specific medicinal product does not represent a significant therapeutic benefit over existing treatments for paediatric patients.

The Norwegian Paediatric Committee member agrees with the above-mentioned recommendation of the Paediatric Committee.

2. The grounds for the granting of the waiver are set out in Annex I.

This opinion is forwarded to the applicant and the Executive Director of the European Medicines Agency, together with its annex and appendix.

Annex I

Grounds for the granting of the waiver

1. Waiver

1.1. Condition:

Treatment of peripheral vertigo

The waiver applies to:

- all subsets of the paediatric population from birth to less than 18 years of age;
- nasal spray, solution, intranasal use;
- on the grounds that the specific medicinal product does not represent a significant therapeutic benefit over existing treatments.
