European Medicines Agency decision

P/0232/2014

of 5 September 2014

on the granting of a product specific waiver for bromfenac (sodium sesquihydrate) (EMA-001595-PIP01-13) in accordance with Regulation (EC) No 1901/2006 of the European Parliament and of the Council

The European Medicines Agency,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EC) No 1901/2006 of the European Parliament and of the Council of 12 December 2006 on medicinal products for paediatric use and amending Regulation (EEC) No. 1768/92, Directive 2001/20/EC, Directive 2001/83/EC and Regulation (EC) No 726/2004¹,

Having regard to Regulation (EC) No 726/2004 of the European Parliament and of the Council of 31 March 2004 laying down Community procedures for the authorisation and supervision of medicinal products for human and veterinary use and establishing a European Medicines Agency²,

Having regard to the application submitted by InSite Vision Incorporated on 11 April 2014 under Article 13 of Regulation (EC) No 1901/2006,

Having regard to the opinion of the Paediatric Committee of the European Medicines Agency, issued on 18 July 2014 in accordance with Article 13 of Regulation (EC) No 1901/2006,

Having regard to Article 25 of Regulation (EC) No 1901/2006,

Whereas:

- (1) The Paediatric Committee has given an opinion on the granting of a product specific waiver.
- (2) It is therefore appropriate to adopt a decision granting a waiver.

¹ OJ L 378, 27.12.2006, p.1.

² OJ L 136, 30.4.2004, p. 1.

Has adopted this decision:

Article 1

A waiver for bromfenac (sodium sesquihydrate), eye drops, solution, ocular use, the details of which are set out in the opinion of the Paediatric Committee of the European Medicines Agency annexed hereto, together with its appendices, is hereby granted.

Article 2

This decision is addressed to InSite Vision Incorporated, 965 Atlantic Avenue, 94501 - Alameda, California, USA.

Prevention of postoperative pain and inflammation associated with cataract surgery

Pharmaceutical form(s):

Eye drops, solution

Route(s) of administration:

Ocular use

Name / corporate name of the PIP applicant:

InSite Vision Incorporated

Basis for opinion

Pursuant to Article 13 of Regulation (EC) No 1901/2006 as amended, InSite Vision Incorporated submitted to the European Medicines Agency on 11 April 2014 an application for a product-specific waiver on the grounds set out in Article 11 of said Regulation for the above mentioned medicinal product.

The procedure started on 21 May 2014.

Opinion

1. The Paediatric Committee, having assessed the waiver application in accordance with Article 13 of Regulation (EC) No 1901/2006 as amended, recommends as set out in the appended summary report:

- to grant a product-specific waiver for all subsets of the paediatric population and the above mentioned condition(s) in accordance with Article 11(1)(c) of said Regulation, on the grounds that the specific medicinal product does not represent a significant therapeutic benefit over existing treatments for paediatric patients.

The Norwegian Paediatric Committee member agrees with the above-mentioned recommendation of the Paediatric Committee.

2. The grounds for the granting of the waiver are set out in Annex I.

This opinion is forwarded to the applicant and the Executive Director of the European Medicines Agency, together with its annex and appendix.

London, 18 July 2014

On behalf of the Paediatric Committee
Dr Dirk Mentzer, Chairman
(Signature on file)

Annex I

Grounds for the granting of the waiver

1. Waiver

1.1. Condition:

Treatment of postoperative pain and inflammation associated with cataract surgery

The waiver applies to:

- the paediatric population from birth to less than 18 years of age;
- for eye drops, solution for ocular use;
- on the grounds that the specific medicinal product does not represent a significant therapeutic benefit over existing treatments.

1.2. Condition:

Prevention of postoperative pain and inflammation associated with cataract surgery

The waiver applies to:

- the paediatric population from birth to less than 18 years of age;
- for eye drops, solution for ocular use;
- on the grounds that the specific medicinal product does not represent a significant therapeutic benefit over existing treatments.
