EUROPEAN MEDICINES AGENCY DECISION

of 3 November 2008

on the application for product specific waiver for influenza virus type A, H3N2, influenza virus type A, H1N1, influenza virus type B (EMEA-000249-PIP01-08) in accordance with Regulation (EC) No 1901/2006 of the European Parliament and of the Council as amended

THE EUROPEAN MEDICINES AGENCY,

Having regard to the Treaty establishing the European Community,

Having regard to Regulation (EC) No 1901/2006 of the European Parliament and of the Council of 12 December 2006 on medicinal products for paediatric use as amended and amending Regulation (EEC) No. 1768/92, Directive 2001/20/EC, Directive 2001/83/EC and Regulation (EC) No 726/2004¹,

Having regard to Regulation (EC) No 726/2004 of the European Parliament and of the Council of 31 March 2004 laying down Community procedures for the authorisation and supervision of medicinal products for human and veterinary use and establishing a European Medicines Agency²,

Having regard to the application submitted by MedImmune, LLC on 30 April 2008 under Article 13 of Regulation (EC) No 1901/2006 as amended,

Having regard to the opinion of the Paediatric Committee of the European Medicines Agency, issued on 17 October 2008 in accordance with Article 13 of Regulation (EC) No 1901/2006 as amended,

Having regard to Article 25 of Regulation (EC) No 1901/2006 as amended,

WHEREAS:

- (1) The Paediatric Committee has given a positive opinion,
- (2) It is therefore appropriate to adopt a Decision granting a waiver.

¹ OJ L 378, 27.12.2006, p.1

² OJ L 136, 30.4.2004, p. 1

HAS ADOPTED THIS DECISION:

**POSITIVE OPINION OF THE PAEDIATRIC COMMITTEE ON
A PRODUCT-SPECIFIC WAIVER FOR**

Scope of the application

Active substance:

Influenza Virus Type A, H3N2

Influenza Virus Type A, H1N1

Influenza Virus Type B

Condition(s):

Influenza

Pharmaceutical form(s):

Nasal spray suspension

Route(s) of administration:

Intranasal

Name/corporate name of the waiver applicant:

MedImmune, LLC

Basis for opinion

Pursuant to Article 13 of Regulation (EC) No 1901/2006 as amended, MedImmune, LLC submitted for agreement to the EMA on 30 April 2008 an application for a waiver on the grounds set out in Article 11 of Regulation (EC) No 1901/2006 as amended for the above mentioned medicinal product.

The procedure started on 5 June 2008.

Supplementary information was provided by the applicant on 14 August 2008.

Opinion

The Paediatric Committee, having assessed the waiver application in accordance with Article 13 of Regulation (EC) No 1901/2006 as amended, recommends as set out in the appended summary report, to grant a waiver for all subsets of the paediatric population and all above mentioned conditions in accordance with Article 11(1)(a) of Regulation (EC) No 1901/2006 as amended, on the grounds that the specific medicinal product is likely to be ineffective or unsafe in part or all of the paediatric population

The Icelandic and the Norwegian Paediatric Committee members agree with the above-mentioned recommendation of the Paediatric Committee.

This opinion is forwarded to the applicant and the Executive Director of the Agency, together with its appendix(es).

London, 17 October 2008

On behalf of the Paediatric Committee
Dr Daniel Brasseur, Chairman
