

EUROPEAN MEDICINES AGENCY
SCIENCE MEDICINES HEALTH

A privilege and a challenge – to strengthen the PCWP

PCWP 2010 -2013

Presented by Lise Murphy, 14 June 2016

Patient representative – EURORDIS, co-chair of the PCWP 2010-2013

An agency of the European Union

Mentorship for patients and consumer representatives

At EMA- roles for patient organizations and patients as experts

- Mentorship and list of Patient involvement-strengthening the group
- Legal provisions – strengthening our mandate (eg.PhVWP-PRAC)
- EMA strengthening our presence:
for example in ,SAGs, benefit/risk discussions, benefit/risk information, risk management
- PCWP – developing into a hub!

EU and further – best practice

HMA, Head of Medicines Agencies (2011), presenting the EMA model working with patients

Clinical Trials outside the EU (-2012)

Looking ahead:

More patients working with the NCAs

PCWP:s work and interaction maturing, gradual increase in co-operation with HCPs and international networks
