

# Feedback from the HMA meeting in April

PCWP | 3th of September 2011

# Purpose of presentation

Strengthening the PCVP and the  
patient and consumer involvement

# Varying degree of involvement in Member States

- Ireland eg wishes to increase involvement but PCO say "not on our agenda"
- Italy have tried "too fragmented PCOs"
- Some countries "will try/will think about it"
- Others have some dialogue with PCOs
- Survey to find out how the situation is?

# The network of empowered patients and consumers in EU

- National organisations need to co-operate and learn from EU-organisations
- Can this be achieved?
- How?
- Feedback to the HMA in 18 months?
- PCWP to pass on training manual and ideas to the HMA Secretariat?
- Ideas?
