

Innovative Health Initiative

Bold collaborations. Transforming Health.

Niklas BLOMBERG
November 2024

IHI is Europe's public-private partnership for health research

Every IHI Project is a Public Private Partnership

Contributing partners

Industry members

Public organisations & SME

Co-funded by
the European Union

*Research orgs, Patients,
Healthcare, Regulators, ...*

Collaboration is in our DNA

**Collaborative, innovative, compelling results
addressing public health needs and
boosting EU competitiveness**

Engaging with Regulators

- IHI Regulatory Science Summit:
([RegulatoryScienceSummit_Feb2024_Report.pdf](#))
- Guides for Applicants & Projects:
[Engaging with regulators | IHI Innovative Health Initiative](#)

Bold collaborations. Transformative outcomes.

>300 M€ in European Real-World Evidence capabilities

Regulatory Science Projects to be launched in 2025

- IHI Call 6 “Development of evidence based practical guidance for sponsors on the use of real-world data / real-world evidence”
- IHI Call 8 “Modelling regulatory sandbox mechanisms and enabling their deployment to support breakthrough innovation”

IHI Call 9 (April 2025): Applicant-driven opportunities

- Your task: identify untapped opportunities in our SRIA and turn them into IHI project proposals
- Think: ambitious, large-scale, public-private, cross-sector...
