

EUROPEAN MEDICINES AGENCY
SCIENCE MEDICINES HEALTH

Celebration in 2016

Presented by Maria Mavris on 3 June 2015

An agency of the European Union

50

Number of years since creation of EU Pharmaceutical legislation

20

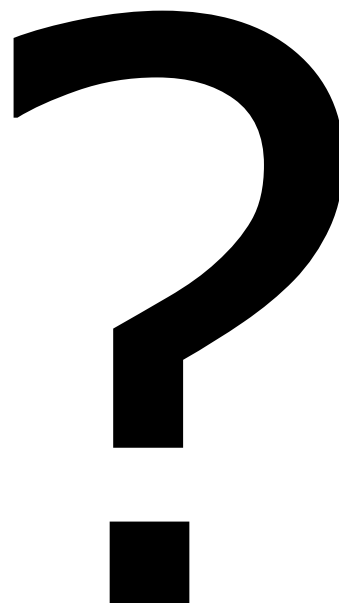

Number of years since the EMA was created

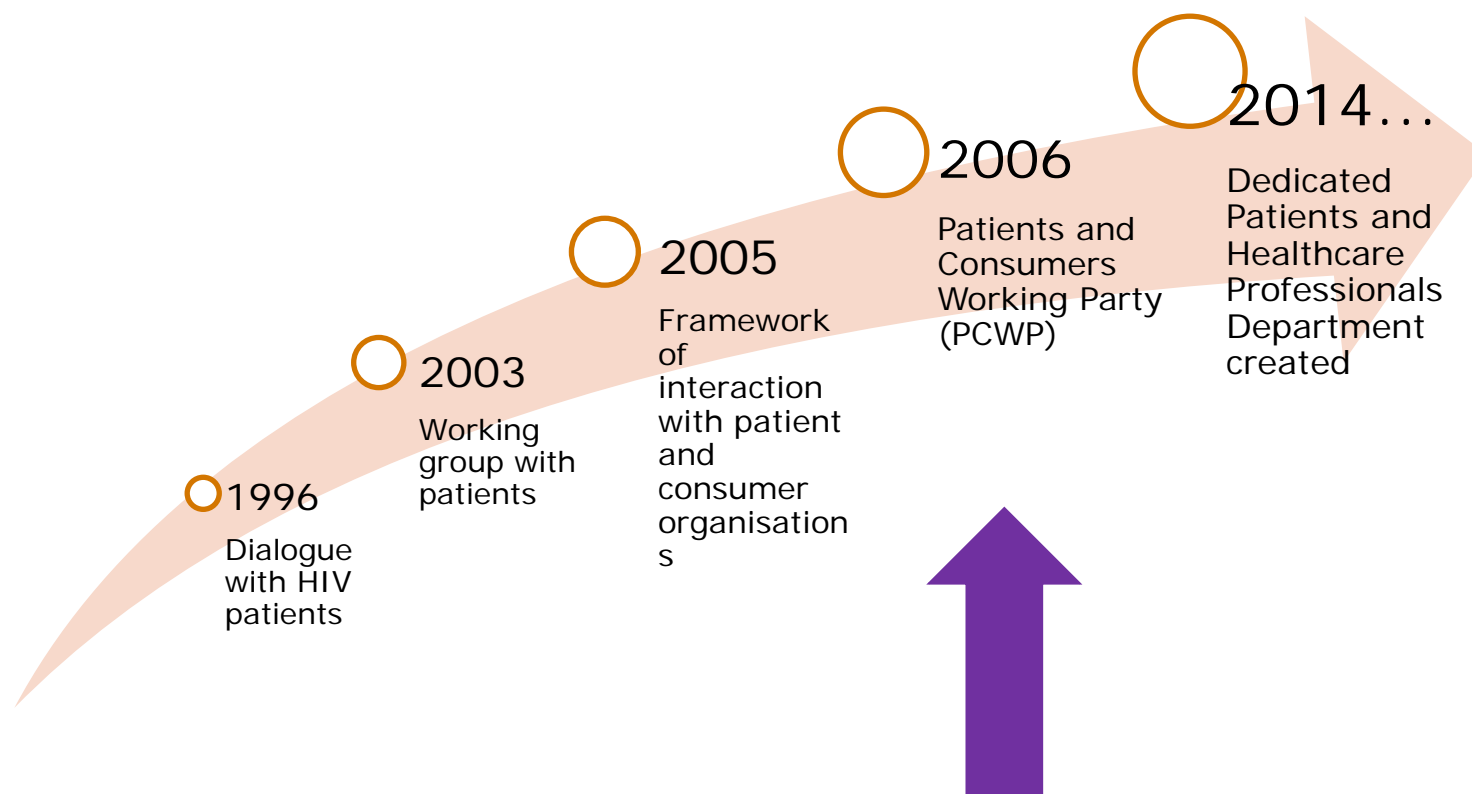

10

10 year anniversary of PCWP!!

Marking the occasion

some preliminary ideas....

- Dedicated meeting with celebration in 2016
- Invite former co-chairs
- Video interviews with PCWP members on impact and importance of working party and patient involvement in general
- Book with contributions from members – text, photos etc..
 - Online electronic version and print version
- Evening celebration

All is dependent upon budget (of course)

Any suggestions?

We would like to create a task force to help coordinate any activities

Any volunteers?
