

COMBINE Project 5 update

Explore needs for advice and assessors' fora

16th Industry Stakeholder Platform on R&D Support

Objectives of the project

Clarify needs for advice to sponsors and needs for exchange of best practice among assessors (CA, ethics)

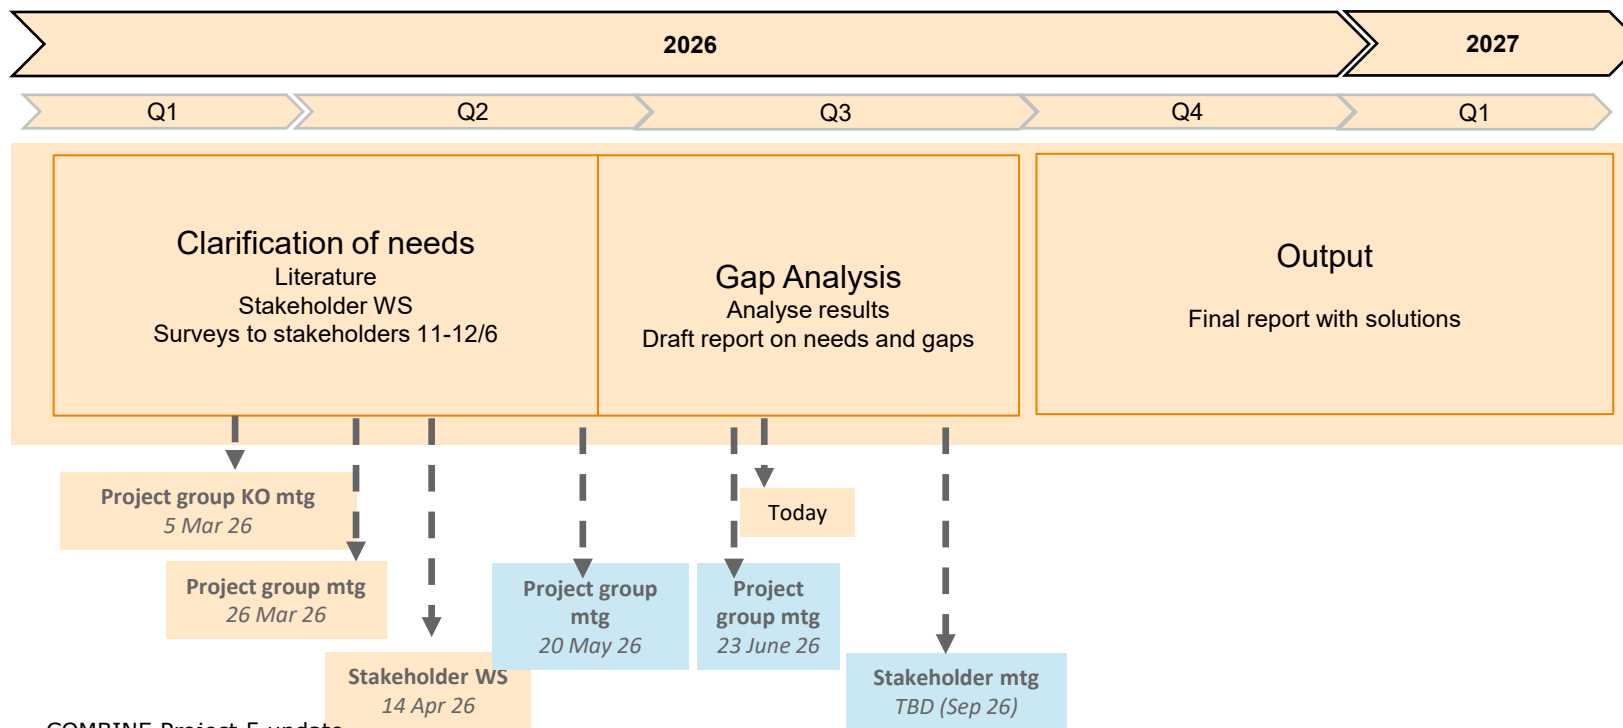

Analyse where needs are covered by existing advice formats/assessors' fora and where there are gaps

Propose how gaps could be addressed

Timelines and progress

Ongoing activities and next steps

- The 2 surveys to sponsors and authorities/ethics committees/ notified bodies have been completed, and the analysis of the results is ongoing
- A draft report based on the available material from literature, project group meetings, stakeholder workshop and survey results has been initiated
- Next stakeholder meeting to discuss the identified gaps planned for end of September (TBC)
- Development of the proposals to cover the identified needs and gaps Oct-Q1 2027; this phase will also include a stakeholder meeting
