# 2<sup>nd</sup> EMA/FDA conversation on cancer – world cancer day

EUROPEAN MEDICINES AGENCY

Register now for a conversation with FDA and EMA for World Cancer Day on the impact therapeutic and regulatory innovations can have on the lives of patients living with cancer.

The conversation, held with a panel of patients, investigators and regulators, will focus on the introduction of certain innovative therapeutic classes in the past two decades that have transformed the care for patients with chronic myeloid leukemia, multiple myeloma, and melanoma.

📅 1 February, 9:30am ET/3:30pm Central European time
