

# Session 2

Current landscape - How does ePI fit in with other initiatives?

Maria Jesús Lamas Diaz (HMA/AEMPS)  
Juan García Burgos (EMA)

# HMA Working Group Support for better use

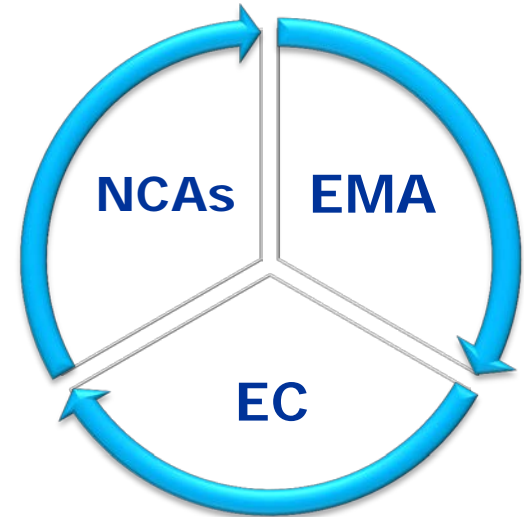

**Chair:** ES

**Co-Chair:** NO

**Members:** DE, EE, ES, FR, IE, IS, NL, NO, UK

## OBJECTIVES

- Improve current product info
- Analyse which new/additional information may promote better use of medicines
- How to integrate the information into current process of assessment and approval of medicines

- Avoid duplication of work
- Save resources
- Increase harmonization

# Work methodology

## Partnership with EC and HMA Working Group on Better Use of Medicines
