EMA Public stakeholder meeting 26 March

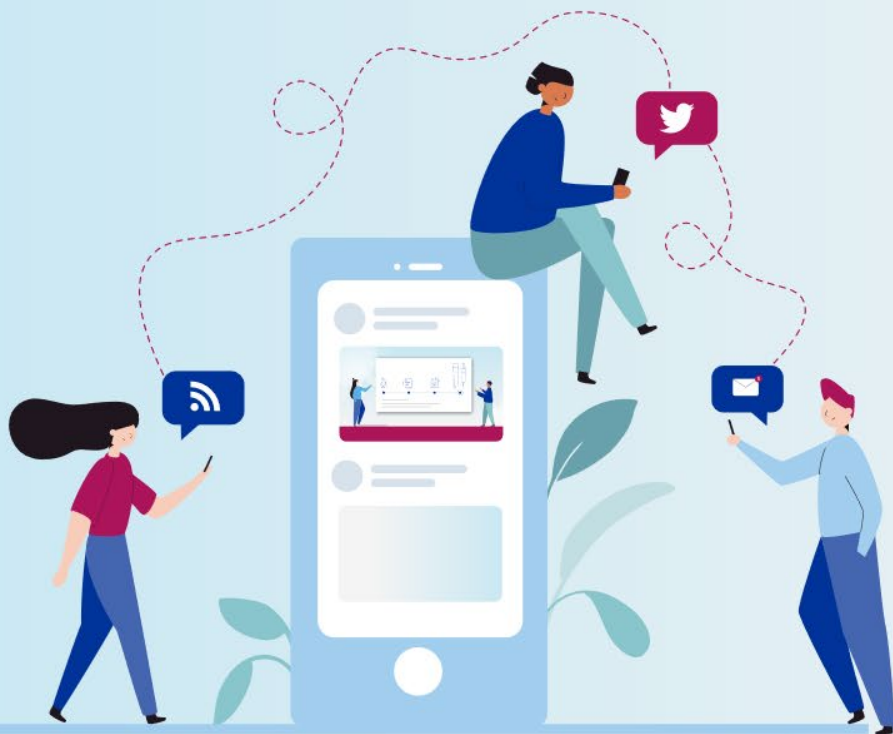

EMA is organising this open event to:

- Give an overview of COVID-19 vaccines approved in the EU and those which are currently under review
- Provide an update of post-authorisation activities, including emerging safety data since EU authorisation of the first COVID-19 vaccines, and ongoing work to address new variants
- Provide an overview on the expected impact of COVID-19 vaccination on societies
- Update on transparency and publication of clinical data for COVID-19 vaccines
- Listen to the public and stakeholders on their needs, expectations and any concerns.
