

PCWP/HCPWP joint meeting

2-3 March 2022

Member's voice

International Patient Organisation for Primary Immunodeficiencies (IPOPI)

“Status of Primary Immunodeficiency Healthcare”

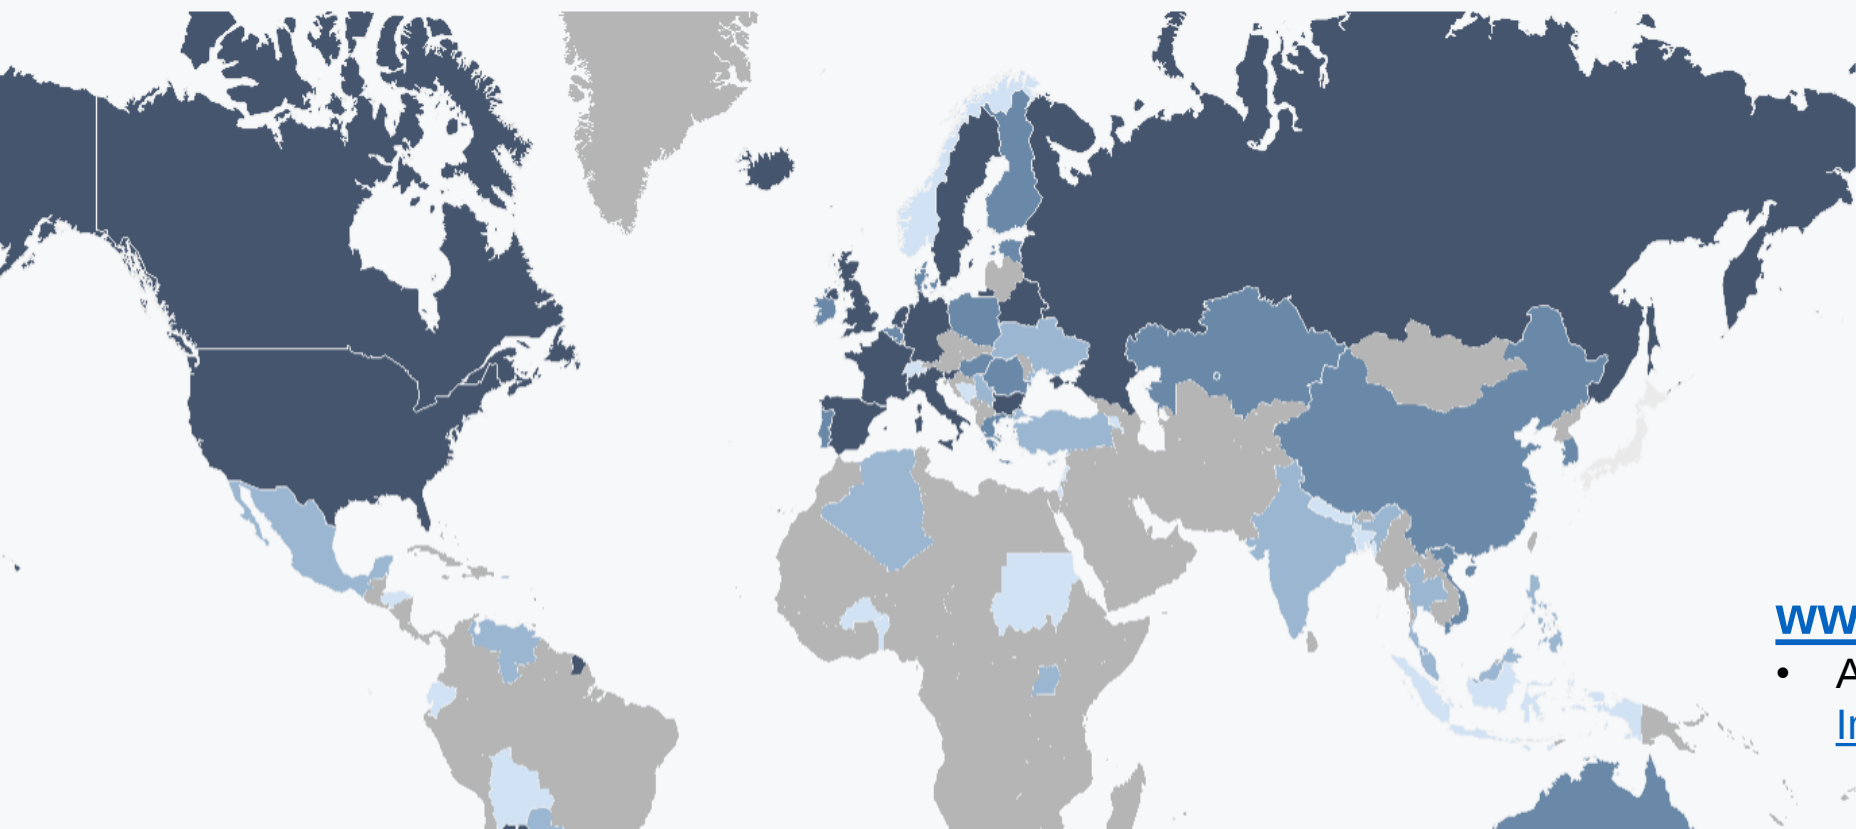

Presented by Jose Drabwell

How's life with a Primary Immunodeficiency (PID)?

The PID Life Index is an interactive tool built on 6 key principles of care that measures the status of the PID healthcare environment in a country.
