# Key events 2025

# Revised HCP framework of engagement

- Framework of interaction with healthcare professional organisations first adopted in 2011, revised in 2016, revised again in 2025.
- Engagement has evolved and adapted since last update; EMA has further explored, improved, and incorporated new activities and engagement methodologies for capturing HCP input into all its activities.
- Drafting group working on key updates include
- Endorsement by HCPWP: Q1 2025
- Adoption by EMA Management Board: Q2 2025
- Publication on EMA website: Q2 2025

# EMA 30th anniversary (1995 – 2025)

Events planned include:

- Scientific symposium
- Lunchtime talks
- Open day for public
- Anniversary archives exhibition

# Merry Christmas and a Happy New Year!
