Outcome from 2022 ISG Survey and Key Industry stakeholder 2023 meetings

Industry Standing Group (ISG) meeting, 21 March 2023

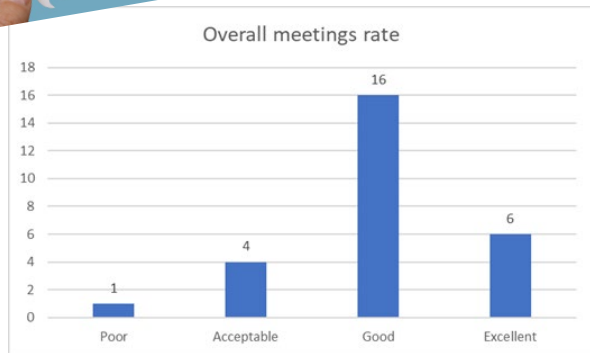

Outcome from 2022 ISG Survey

Evaluation survey circulated to all stakeholders who attended ISG meetings organised in 2022.

- Feedback based on 27 out of 128 response.
- Each session was generally rated as “good” in terms of interest, clarity of presentations and Q&A session.
- Positive feedback received also for the selection of strategic topics not linked to EMA extended mandate.
- The use of hybrid/virtual meeting was appreciated.

Points for improvement

- Allow more time for discussion and ensure adequate stakeholders involvement.
- Circulate supporting presentations in advance and allow submission of questions before the meeting.
- Keep adding other strategic topics avoiding duplications and providing clarity on the interlinks with other fora.

April:

- 17-18 April [EMA multi-stakeholder workshop on Qualification of novel methodologies](#)

May:

- 2-5 May [Clinical Trials Information System \(CTIS\) sponsor end user training programme](#)

June:
