# EU Network Training Centre (EU NTC): an overview

We operate and manage the **learning ecosystem** on regulatory, scientific and digital topics for the EU Medicines Regulatory Network

Target audience:

- EU NCAs
- **NEW** - Patient/consumer and healthcare professional representatives (i.e. member organisations of the HCPWP and PCWP)

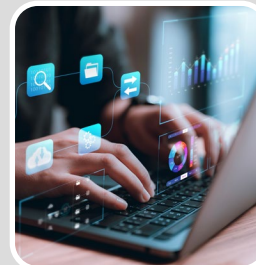

EU NTC catalogue can be **publicly** accessed via the **new EU NTC portal**:  
[EU NTC Portal \(europa.eu\)](https://europa.eu)

[Learning Management System \(LMS\)](#) (login required)

The EU NTC facilitates **sharing of knowledge** and **strengthening of capacity** within the **European Medicines Regulatory Network**, facilitating the development of the **Network's capabilities**, making **best use of available resources**, and supporting the **quality** and **efficiency** of operations

## EU NTC strategic objectives to 2025

1. New **target audiences** for EU NTC training

2. Strengthen **curriculum development**

3. Strengthen the **services and tools** available for course developers

4. Strengthen the **digital learning ecosystem** – tooling and platform

1. Strengthen core activities

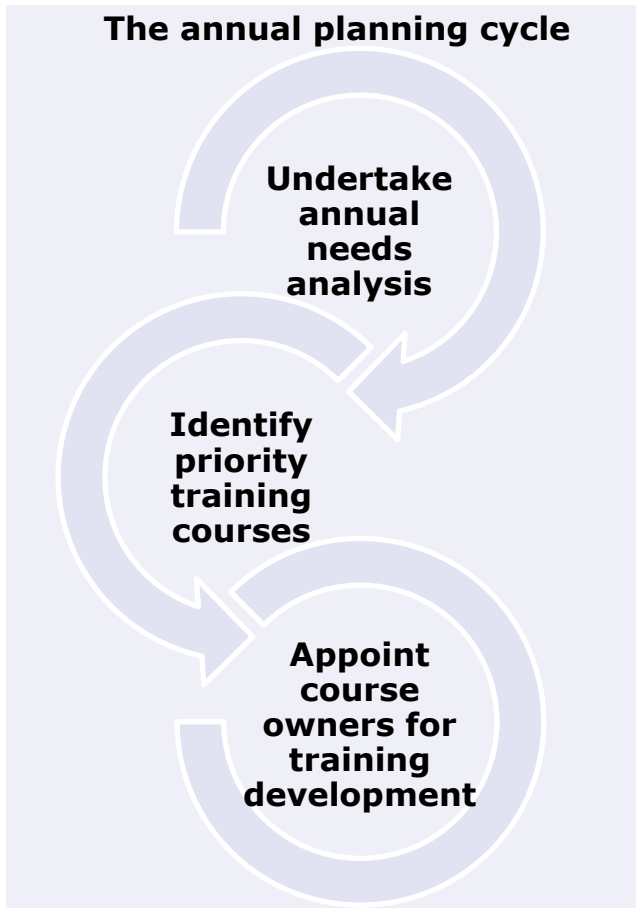

2. Prepare the Network for the future

4. Increase collaboration with stakeholders

3. Ensuring sustainability

Priority areas for EU NTC

Every year, we reach out to all **curriculum leads**, asking for their annual training plans and their **priority learning needs**.

## Access to the courses

You are eligible to access these courses if you are:

- working for an EU Medicines National Competent Authority
- a non-NCA expert involved in EU regulatory procedures and EMA activities

The EU NTC training offer can be accessed through the EU NTC Learning Management System (LMS) using your personal EU NTC LMS account credentials.

**Already have an LMS account? Go directly to the EU NTC Learning Management System**
