

Working Group 3:

**How to establish communication
between Enpr-EMA networks and
industry**

Working Group 5:

**Sharing Good Practice within Enpr-EMA
and with Industry Partners**

Susan Tansey

Chair WG 3 and WG 5

Enpr-EMA WGs 3 and 5

Role:

Develop recommendations for how Enpr-EMA can:

- facilitate communication between industry and networks including
 - provide industry with easy access about individual Enpr-EMA networks
 - make contact with a range of industry partners
- Gather examples of good practice from both Networks and industry colleagues working with Enpr-EMA networks
- Develop proposals to disseminate examples of good practice to Enpr-EMA members and industry partners.

Enpr-EMA WGs 3 and 5

Finalised survey monkey questionnaire and distributed: 18th Dec 2013

Extended date for responses: 14th Feb 2014

Final report incorporating comments from EnprEMA and the WGs 3 and 5 sent out to EnprEMA: 22nd Nov 2014

Results of survey presented at EnprEMA workshop Jan 2015

Manuscript submitted to Applied Clinical Trials for peer review 1st May 2015 and comments expected 15th Jun 2015

Enpr-EMA WGs 3 and 5

'Pharmaceutical Industry and Paediatric Clinical Trials networks in Europe- how they communicate?'

Pirkko Lepola, Susan Tansey, Pamela Dicks, Jennifer Preston, Martine Dehlinger-Kremer

Acknowledgements

The original Enpr-EMA nominated Working Group included several other people, who assisted with the preparation of the initial survey questionnaires. We want to thank for following people providing this help that greatly improved the final survey: Dr. Christina Peters (EBMT, Austria), Dr. Richard Trompeter (GOSH, IPTA, UK), Mrs Lynda Wight (TOPRA, UK), Dr. Klaus Hartman (Biomedpark, Germany). Additionally, we want to give special thanks to Dr. Stefanie Breitenstein (Bayer Pharma, Germany), for reviewing the final draft document.

Dissemination strategy and next steps

- Publication
- Post executive summaries on EnprEMA webpage (no details of companies/individuals)
- Contact EFPIA and EUCOPE to disseminate the reports
- Circulate to the SME office at the EMA
- Contact those who responded to the survey with link to reports

- Utilise results to develop guidelines for new networks and make recommendations to current networks

- Repeat the survey in 3-5 years
- Benchmark against US networks ?
