| R/0031             | Renewal of the marketing authorisation. | 12/12/2024                                      | 14/02/2025                                           | SmPC and PL                               | Based on the review of data on quality, safety and efficacy, the CHMP considered that the benefit-risk balance of Ateectura Breezhaler in the approved indication remains favourable and therefore recommended the renewal of the marketing authorisation with unlimited validity. |

<sup>1</sup> Notifications are issued for type I variations and Article 61(3) notifications (unless part of a group including a type II variation or extension application or a worksharing application). Opinions are issued for all other procedures.

<sup>2</sup> A Commission decision (CD) is issued for procedures that affect the terms of the marketing authorisation (e.g. summary of product characteristics, annex II, labelling, package leaflet). The CD is issued within two months of the opinion for variations falling under the scope of Article 23.1a(a) of Regulation (EU) No. 712/2012, or within one year for other procedures.

<sup>3</sup> SmPC (Summary of Product Characteristics), Annex II, Labelling, PL (Package Leaflet).

|                     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |            |     |                    |                                   |
