

European Medicines Agency

EMEA/MB/174828/2009
Management Board meeting 11 June 2009
Agenda point 25 For information

Revision of EMEA Financial Regulation as of 1 January 2009

Background note

At its meeting on 11 December 2008 the Management Board adopted the revised EMEA Financial Regulation based on the revision of the Framework Financial Regulation (EMEA/MB/442534/2008). At the same time the Management Board noted that the EMEA was in negotiations with DG BUDGET to agree on some deviations from the Framework Financial Regulation and that updated Implementing Rules to the Financial Regulation would be presented at a later stage.

Matters for consideration

On 3 March 2009 the EMEA received comments from DG BUDGET on the EMEA Financial Regulation and the requested deviations. These comments are now being reviewed together with DG BUDGET. Once agreement has been reached, a revised version will be submitted to the Management Board for adoption. Consequently, the Implementing Rules for the Financial Regulation are now on hold and will also be discussed with DG BUDGET before submission to the Management Board.
